Ford Car

Before you buy any make of automobile, let us show you today's Ford Car.

You may consider that you know the Ford Car. You may have been a Ford owner for years and think you are familiar with the splendid satisfaction which the Ford gives, and yet unless you have made it a point to examine the Ford Car as it is BUILT TODAY - to drive it and note its improved engine performance - relax in it over rough roads, and experience the increased comfort which it affords, and to learn of the many recent improvements, you do not know the Ford Car as it is built today.

Many of the new Ford Car features are obvious - balloon tire equipment - wire wheels - pyroxylin finish - a choice of colors - improved upholstery, etc., but the big satisfaction to you, as the owner of today's Ford Car is to be found in the way in which it will fulfill your expectations of what a modern motor car should be.

You will be amazed at the increased power resulting from the new Vaportor, the smoother engine operation, the increased gasoline mileage, the improved riding qualities, and above all, in the way in which
